The Licensee acknowledges that it has simultaneously entered into the Regional Network/Subscriber Agreement with _____ (hereinafter, the “Regional Network”), whereby the Regional Network has agreed to include the Licensee in its license agreement with OUP USA regarding access to and use by Regional Network members of certain online products (the “Licensed Works, as more fully defined below) owned or controlled by OUP USA

Licensee also acknowledges that acceptance by the Licensee of the Network Member Perpetual Access Terms set forth herein and continued adherence thereto are conditions of obtaining and retaining such access to and use of the Licensed Works.

Licensee hereby agrees to be bound by the following terms and conditions:

- “Commercial Use” means use of the Licensed Works for the purposes of monetary reward (whether by or for the Licensee, an Authorized User, or any other person or entity) by means of sale, resale, loan, transfer, hire, or other form of exploitation; provided, however, that neither recovery of direct

2.2 Specifically, the Licensee and Authorized User may:

6 HOSTING

- 6.1 The Licensed Works are, at the option of the Licensee, either (a) purchased with hosting services provided by OUP USA, or (b) to be hosted by the Licensee, as specified Exhibit A. If the Licensee opts to self-host, the Licensed Works will be delivered to the Licensee in the form of an electronic file in XML format or other standard format as determined by OUP USA for the Licensee to self-host. The provisions of This Agreement (including its exhibits) apply whether or not the Licensee self-hosts, unless expressly stated otherwise.

- 6.5 OUP USA will make available to the Licensee an aggregated monthly usage report detailing the level of use of the Licensed Works by the Licensee's Authorized Users per month. This report will not identify individual Authorized User usage, but will be provided in respect of the IP address range(s) given by the Licensee to OUP USA under Paragraph 6.3 above as a whole. OUP USA will not be able to provide accurate usage reports if the Licensee stores the Licensed Works on any cache or proxy server.
- 6.6 If, having opted to purchase hosting services provided by OUP USA the Licensee wishes to self-host, it may, by providing OUP USA with written notice no later than 90 days prior to the expiration of the then-current hosting period, elect to terminate hosting services at the end of the then-current hosting period. If no such notice is received, OUP USA will send the Licensee an invoice for fees for renewal of the hosting service for a further twelve-month period which will be payable prior to the commencement of the renewal period. If the invoice has not been paid prior to commencement of the renewal period, the Licensee will be deemed to have elected to self-host.
- 6.7 If OUP USA does not wish to continue hosting the Licensed Works for the Licensee (including, without limitation, if it discontinues hosting the relevant platform), it will give the Licensee no less than 90 days' notice; provided that it will, via the Regional Network, credit the Licensee all hosting fees applicable to the unexpired term of the then current hosting period on a pro rata basis.
- 6.8 If the Licensee elects to self-host pursuant to Paragraph 6.6 or if OUP USA gives notice pursuant to Paragraph 6.7, OUP USA will, prior to the end of the then current hosting period, or within 90 days the Licensee's deemed election to self-host, whichever is the later, deliver to the Licensee the electronic files (in XML format or other standard format as determined by OUP USA) for all Licensed Works purchased to the extent permitted under OUP USA's agreements with Third Party Suppliers.

7 WITHDRAWAL OF MATERIAL

- 7.1 OUP USA reserves the right at any time to (i) withdraw from the Licensed Works any item or part of an item that OUP USA no longer retains the right to publish; or (ii) withdraw from the Licensed Works, or cease providing online hosting services hereunder for any Licensed Work or part thereof, any material that OUP USA determines may be defamatory, obscene, unlawful, a violation of copyright or otherwise objectionable. OUP USA may at any time (without prejudice to its other rights or remedies) suspend the provision of some or all of the Licensed Works obtained by OUP USA from any Third Party Supplier, upon request of such Third Party Supplier or immediately upon termination of OUP USA's agreement with such Third Party Supplier. With respect to any such item(s) or part(s) thereof for which OUP USA determines not to provide hosting services pursuant to the foregoing, OUP USA will, to the extent permitted under applicable law and any agreements to which OUP USA is a party, provide Licensee with an electronic copy of any such item(s) or part(s) thereof in XML format for use by Licensee on a self-hosted Secure Network in accordance with and subject to all of the conditions and restrictions set forth in these Network Member Perpetual Access Terms. Licensee agrees that these Network Member Perpetual Access Terms, to the extent it pertains to any Licensed Work or part thereof, copyright of which is owned by a Third Party Supplier, may be enforced by such Third Party Supplier.
- 8.4 The provisions of this Paragraph 8 will survive the termination of This Agreement (including its exhibits) for any reason.
