Nebraska Municipal and County Officials, Library Directors, Library Board Members:

The Nebraska Library Commission issues payments to Nebraska public libraries for approved grants and state aid to libraries. Payments to libraries come from federal Library Services and Technology Act funds and state appropriations administered by the Library Commission. These funds are distributed to public libraries for specific purposes and may be used only for the purposes intended. Use of funds is subject to the requirements of the U.S. Institute of Museum and Library Services and according to grant and contract award policies of the Library Commission.

Payments made by the Library Commission through direct deposit from the Nebraska State Treasurer may be expended only through approval of the public library board per local practice and in accord with Nebraska State Statutes (Chapter 51, Section 209). Unauthorized use of funds received from the Nebraska Library Commission is subject to reimbursement to the Nebraska Library Commission.

Sincerely,

A handwritten signature in blue ink that reads "Rod Wagner".
