EDNA D. BULLOCK, SECRETARY

LINCOLN 31 Ag. 1903

The approach of the school year and the season of longer evenings brings with it an increased demand for traveling libraries. We shall, however, be glad to send libraries to places where we have previously had libraries as long as our supply of books holds out. If you desire one for your community, let us know--the earlier you do so, the more certainly we will be able to send you a library. It will be better to file a new application.

Sincerely,

Edna D. Bullock, Sec'y.
