LINCOLN

To County superintendents:-

We are sending you copies of our Library day circular for all teachers under your jurisdiction except those in the towns noted below. Since Library day is October 20th., you are urged to get these circulars into the hands of your teachers at the earliest possible moment. The day should be an important one for our schools, and anything that looks toward additional library facilities should be encouraged.

Copies of our List of books for school libraries will be sent you upon application.

Respectfully,

Edna D. Bullock, Sec'y.
