EDNA D. BULLOCK, SECRETARY

1 Nov. 1905.

To librarians of traveling libraries:-

One of the features of the next meeting of the Nebraska library association, to be held Dec. 27-8, 1905 at Lincoln, will be a round table on "traveling libraries, their results and possibilities". The discussion will be led by Prof. W.W. Hunt, who has one of the libraries in his farmhouse in Otoe county. Each and every librarian of the traveling libraries is urged to be present, if possible, and to add to the interest of the discussion by telling what has been done in the several communities to which the libraries have gone. Those who hope to be present will do me a favor if they will drop me a card to that effect at once. Those who cannot come are asked to send in brief statements for use in the meeting. Programs of the meetings will be mailed to you.

Sincerely,

Edna D. Bullock, Sec'y.
